

WILCOX SAVES HARVARD FROM DEFEAT BY PENNSY

Substitute, Rushed In During Final Minutes of Play, Makes Greatest Run on Record.

TRIPLE PASS AIDED HIS WORK

Pennsylvania State Played Harvard Off Its Feet During Entire Game by Using Open Play and Rushing the Ball—Score, 13-to-13 Tie.

CAMBRIDGE, October 24.—Harvard was saved from defeat to-day within four minutes of the end of the game with Pennsylvania State, when Wilcox, a substitute, was rushed in at right half back in place of Rollins, and scored a touchdown, after a triple pass, by a long run from his own forty-five-yard line, skirting Pennsylvania's left end and tying the score at 13 to 13. It was the culmination of one of the most exciting games witnessed in the stadium in many days. The life-saving run of Wilcox will go down in history as one of the greatest runs that has taken place on the gridiron.

Pennsylvania State played Harvard off its feet during the entire game, using the open game and rushing the ball. The Crimson was always on the defense. The work of Quarterback James, of Pennsylvania State, was brilliant, and his generalship and long runs were the chief feature, outside of Wilcox's run.

Harvard was very weak on the offensive, making only one first-down on straight foot ball. Pennsylvania State made six first-downs, and threw two forward passes for a gain of forty yards.

Harvard's only successful forward pass resulted in their first touchdown in the second period, when Bradlee stood on Pennsylvania State's ten-yard line and threw the pigskin to L. C. Curtis, who stood behind him. Bradlee failed in his attempt at goal. Higgins, Pennsylvania State's left end, fumbled James's forward pass, but Thomas recovered before it touched the ground, and with the ball on Harvard's ten-yard line, Clark was sent over for the first Pennsylvania State touchdown, and Lamb kicked the goal.

Clark scored a touchdown for his eleven on two kicks from placement. The first came in the first period from Harvard's thirty-yard line, the other in the fourth period, from the twenty-five-yard line.

Soucy, Harvard's right end, was carried off the field in the first half badly hurt, and will probably be out of the game for a week. Penn State was penalized frequently for a total of forty yards for holding and off-side play while Harvard was penalized only twice for a total of fifteen yards.

PRINCETON TEAM ATTEMPTING TO BLOCK A PUNT

This photograph shows splendidly the great speed of the Princeton football line. Three men have broken through to block the punt, and two are actually in the air with both feet just at the moment the camera clicks. Another man has been thrown to his knees. Of the five men in the picture, only three feet altogether are on the ground. It is seldom such a remarkable "action picture" is obtained. It was snapped in the course of the game with Rutgers.

IN FURIOUS DRIVE WITH SALLY, CHALMERS WINS

LATONIA, October 24.—Chalmers, J. S. Hawes, a remarkable sprinter, captured the Fort Thomas stakes, the feature for two-year-olds for the fall season in Kentucky, in a furious drive with Sally, the representative of Santa Cruz Camden. The event was worth \$2,000. The withdrawal of Emerson Cochran, robbed the race of some interest because this event always has a bearing on the Kentucky Derby of the next spring. Ed Crump's race stamps him as a distance horse, and he is likely to be second choice in the winter book of the Derby.

Favorites were trimmed more or less consistently all afternoon, and form players did not profit. Results:

BRESNAHAN TO MANAGE THE BROOKLYN FEDERALS

NEW YORK, October 25.—The New York Sun this morning says:

Roger Bresnahan, former idol of the Polo Grounds and this year one of the mainstays behind the bat for the Chicago Cubs, will manage the Brooklyn Federal League club next year. He was signed late last night to an iron-clad three-year contract, with the proviso that he was to have absolute charge of playing end of the game at Washington Park. The terms of Bresnahan's contract were not announced, but it was admitted that the Toledo Bluebirds had offered him a salary of \$10,000. The bonus is believed to be \$10,000.

Bresnahan came to New York secretly after a conference with President

Thomas, of the Cubs. It is said Roger was a bit plucked over O'Day's appointment to the management of that club, that he demanded that honor for next year with a salary compensatory with the office. He left the Windy City quite satisfied that the breach between him and Thomas could not be bridged. The Ward interests are reported to have met the catcher's demand after a two hours' conference.

INAUGURATE STEPS TO PROTECT FISH AND GAME

LYNCHBURG, VA., October 24.—The Piedmont Fish and Game Protective Association, of Lynchburg, has inaugurated steps by which it hopes to protect game in the vicinity of Lynchburg, specially by preventing part-ridges from being killed during the closed season. In order to do this the

association has retained an attorney and will secure the appointment of competent game wardens.

Heretofore, the law has been disregarded, not only as to killing birds out of season, but they have been sold in the city without fear of prosecution.

The association has reorganized for the coming year by the election of the following officers: president, R. S. Terry; vice-president, J. R. Miller; secretary-treasurer, W. K. Williams; and attorney, T. J. Williams.
